I will be there but do not need to be included in lunch. Additionally, Lincoln Ferguson will be onsite but does not need to be included in lunch.

Subject: PLEASE CHECK! June 10 events

Dear All

Sorry for this, but I need to finalize the US delegation for June 10 events! Since you are visiting the site today, please discuss this issue as well!

FICO facility has received the permission to host up to 55 people on Saturday June 10. It is not a problem of providing a lunch to all, but a safety issue given that the site is still under construction.

The Italian guests are 23, while the entire US delegation is of 34 (if I have not forgotten anybody)!

FICO has already included 22 people in the seated lunch (I took myself out and included Menaka), but we need to limit even the ACCESS up to 29-30!! we can change the seated list, if we need to (I cannot imagine who could be replaced, though..)

How many security people must enter FICO?

Thanks!

Lunch with Minister Galletti and U.S. and Italian Business Leaders
